Percentage: 82.33

Excellent High School   **Vijaypura, KA**
Class X   *2017 – 2018*
Percentage: 83.04

TECHNICAL SKILLS

Languages: Core Java,OOPs, HTML, CSS, JavaScript,JDBC
Databases: RDBMS, MySQL,Oracle
DevTools::Visual Studio Code, Eclipse, Git & GitHub

PROJECTS

Library Management System | *Core Java, JDBC, and SQL*

- Designed a Library Management System to streamline the management of library resources.
- Enabled functionalities for adding, updating, removing books, and viewing the inventory with detailed book information (e.g., title, author, publication year).
- Simplified catalog maintenance, improving the efficiency of library operations.

News Web Application | *HTML, CSS, and JavaScript*

- Built a dynamic news web application using HTML, CSS, and JavaScript, integrated with the News API for real-time updates.
- Implemented features like responsive design, category-based news filtering, and a search function.
- Delivered an interactive and seamless browsing experience for users.

Portfolio Website | *HTML, CSS, JavaScript*

- Developed a responsive portfolio website using HTML, CSS, and JavaScript to highlight my personal projects, skills, and professional experience.
- Designed a user-friendly UI with various components to enhance overall presentation and accessibility.
- Implemented interactive features to engage users and showcase dynamic content effectively.
